

*Your soul longs for you.
To be with you
in the present moment.
The remembrance
of your innermost.
Your resonance.
Your vibration.*

SOUL SONG

SANNA-PIRITA

SOULTUNES

SOULTUNES

Deep within we have access to the purest language of all, the language of sound. This language is free from interpretation and dogma, which makes it so powerful and vulnerable altogether. Language of sound is omnipresent on all levels of being, it summons all that is, the tone of the voice, the body, the emotion, the mind and it is a gateway to our soul expression.

We are like instruments, and as such we need to be tuned every once in a while so that the tones and melodies emanating from us are as clear and pure as possible. Soul song is such a tuning tool, it assists you to get in tune with yourself, to truly hear you, in all levels.

The name, birthday, birth place, birth time and/or photo enable the connection to be built between the person/entity/location/project and sound. The soul song is able to flow through this opening. You can listen to your soul song as often as you want, it is recommended to create a peaceful time and place for it, so that you can enjoy it without disturbance.
